OBJECTIVE

Results-driven dual-degree student in Computer Science and Information Engineering (Adamson University, 3rd Year), focused on applying technical expertise and proven project leadership to solve real-world problems with measurable impact. As an Executive Treasurer and Project Head, I managed complex projects and organizational finances while championing high-value initiatives like the motorcycle rental platform (for livelihood) and the 'TsuperMan' game (for social awareness). Seeking a role where I can immediately contribute my cross-functional skills and drive purpose-driven technical success.

LEADERSHIP & INTERPERSONAL SKILLS

- | | | |
|----------------|-------------------|-----------------------|
| • Leadership | • Creativity | • Budget Management |
| • Fast Learner | • Adaptability | • Financial Reporting |
| • Collaborator | • Problem Solving | • Resource Allocation |

TECHNICAL SKILLS

- | | | |
|--|--------------------|--------------------------------|
| • Python | • Video Editing | • Above Average |
| • Assembly | • Photo Editing | Typing Speed |
| • Web Development
(HTML, CSS, JavaScript) | • Graphics Design | • Advanced In Basic |
| • Game Development | • C# Application | Applications (MS Office, Etc.) |
| | • Java Application | • Computer Hardware |

PROJECTS & RESEARCH

JPV Online Motorcycle Rental System (Web Application, 2025)

- Developed a motorcycle rental platform for motorcycle riders.
- Enabled secure identity verification and improved rental accessibility.

Tsuperman: Para Po! Sa Karapatan At Kabuhayan Ng Tsuper At Komyuter! (C# Narrative Adventure Game, 2025)

- Designed and developed a socially aware game about a jeepney driver's child facing livelihood and education struggles amid the jeepney phaseout.
- Blended interactive storytelling and gameplay to highlight issues of transportation, rights, and education.

Blockchain Credential Verification Research (Academic Research, 2025)

-
- Proposed a blockchain + zero-knowledge proof system to address forgery and verification issues in the Philippines.
 - Demonstrated how this model can secure credential validation, reduce costs, and increase trust in hiring processes.

AI-Powered Schedule Maker (Python, CSP Algorithms, 2024)

- Built a constraint satisfaction problem (CSP) solver to auto-generate student schedules with zero conflicts.
- Streamlined class arrangement by reducing manual scheduling workload.

Sulyap Palkon – AdU Streaming Site (Web Development, 2024)

- Created a streaming platform for Adamson university-related content (UAAP games, hymns, prayers, performances).
- Implemented categorized video browsing and a simple user interface.

Adamson Payroll System (C#, 2024)

- Automated salary computation, attendance tracking, and deductions.
- Increased payroll accuracy and reduced processing time significantly.

Tetris on Web with Advanced Game Modes (HTML, CSS, Javascript, 2025)

- Designed multiple innovative gameplay modes (time trial, flashlight, chromatic cascade, reversed flex, complex) beyond classic Tetris.
- Enhanced engagement with visual effects, altered control mechanics, and responsive design.

Numerical Methods Machine Problems (Python, 2024–2025)

- Implemented Vandermonde matrix, Newton's divided difference, Lagrange interpolation, cubic spline, and numerical integration.
- Validated computational results against theoretical models.

PROFESSIONAL EXPERIENCE

Camp Raya: *Sinag ni Hirayang Maylikha*

April 2025

Event Head

- Spearheaded the overall planning and execution of Camp Raya, a faith-based formation program recognized as one of the Top 10 Spiritual Events of the year by the Office for Student Affairs.
- Directed the program, including multiple keynote talks, interactive activities, and live performances, ensuring alignment with Sustainable Development Goal 8 on inclusive growth and student empowerment.
- Managed a multi-department team of officers, performers, and facilitators, overseeing logistics, flow of activities, and participant engagement for 100+ students.

-
- Strengthened student formation and leadership development by promoting self-reflection, authenticity, and spiritual growth through different activities.

HIRAYA – Adamson University

Executive Treasurer & Finance Committee Head

- Managed ₱27,000+ total funds for six major organizational events: AdU-SOAR 2024, HIRAYAN RITES 2024, MERKADO 2024, CAMP RAYA 2025, DANTAY 2025, and TOGETHER FOR STRENGTH (Outreach Event).
- Collected ₱16,612 in cash donations for Together For Strength, supporting children with cancer at Bahay Aruga, Ermita, Manila, ensuring proper documentation and full financial transparency.
- Led budgeting, allocation, and expense tracking for all events, consistently staying within budget while maximizing resources to deliver impactful programs.
- Closed the term with clean, transparent records that matched 100% with the Office of Student Affairs (OSA), reinforcing trust and accountability.
- Prepared and presented financial and liquidation reports to the Executive Committee and Board of Councils, guiding financial decision-making and improving planning for future semesters.
- Coordinated with event committees to manage procurement, logistics, and timely disbursement of funds, enabling smooth execution of all activities despite budget limitations and delays in fund releases.

June 2024 – 2025

Civic Welfare Training Service Outreach Program

Finance Committee Head

- Handled the distribution of funds and managed the event budget, ensuring optimal allocation of resources and adherence to financial constraints.
- Created the liquidation report of the program to ensure accurate tracking of event expenses and revenues.

May 2024

Academic Scholars Alliance of Adamson University

Finance Committee Junior Treasurer

- Supported the preparation and submission of BRS for budget requests to the Office of Student Affairs (OSA). Initiated and tracked BRS submissions 1-2 weeks prior to scheduled events. Assisted in facilitating the completion of BRS for reimbursement and liquidation purposes.
- Assisted with the assessment of expenses for liquidation reports, including verification of tin receipts, supplier details, purpose, and amounts spent. Helped to obtain an acknowledgment report post-audit, including prize details, signed forms, id pictures, and printed materials for events.

2023 – 2024

-
- Helped Maintain a comprehensive record of officer penalties, calculating monthly totals for performance reviews.

HOM-COR Marketing & Construction Services Corp.

Internship/Work Immersion

- Completed 80 hours of Work Immersion for academic requirements.
- Successfully implemented document management strategies, ensuring efficient organization, arrangement, and filing of important documents.
- Documented test results of transformers through recording and analysis.
- Conceptualized, developed, and produced engaging publication materials for various social media platforms and other mediums.

March 2023

Adamson University – SHS Supreme Student Government

Student Activities Committee Liaison Officer

- Created and Designed props and the festival ground as part of the Design committee and Ushered under the Security committee for the Fledge Festival, the closing event for the SHS batch 2022-2023, held last May 27, 2023.
- Operated Falcon Cinema's booth and ushered at Pusong Palkon 2023, during the valentine's celebration last February 14, 2023.
- Organized and served as the technical lead for the Student Leadership Summit, creating a captivating PowerPoint presentation and managing visual and audio aspects, held last February 06, 2023.
- Organized and helped manage a 300 guests' seminar by Casio Calculators Philippines held last January 11, 2023, at Adamson University – OZ AVR.
- Ushered at DepEd NCR Seminar held last December 2022 at AdU Theatre.
- Prepared and Distributed Goods and Necessities for 500 beneficiaries during the Christmas Gift Giving last December 2022 at Adamson University

2022 - 2023

Adamson Red Cross Youth Council

Member and Volunteer

- Aided in Promoting the Organization
- Assisted at AdU – Org Fair Held Last October 2022

2022 - 2023

LuntianPH

Social Media Committee Member

- Promoted Mental Health Awareness and opposed stigmas associated with Mental Illnesses
- In charge of increasing Social Media Engagement
- Published contents on the organization's various Social Media Platforms
- Provided the contents captions

2022 - 2023

EDUCATION

Adamson University

August 2025 – Present

3rd Year Bachelor of Science in Computer Science

Adamson University

August 2023 – 2025

Dual Degree in Bachelor of Science in Computer Science and Information Engineering

- 2nd Year Dean's Lister – Rank 12
- 1st Year Dean's Lister – Rank 16

Adamson University

August 2022 – 2023

Senior High School – Grade 12

- Attained an Average of 96.72
- With High Honors

Senior High School – Grade 11

August 2021 – 2022

- Achieved **Rank 27** out of 1,071 Grade 11 Students
- Secured **Rank 17** out of 1,019 STEM Students
- Attained an Average of 96.98
- With High Honors

Tambo National High School - Parañaque

2020 - 2021

Junior High School – Grade 10

- Graduated **Rank 2** Overall
- Attained an Average of 95.38
- With High Honors

June 2019 - 2020

Junior High School – Grade 9

- Achieved **Rank 3** Overall
- Attained an Average of 92
- With Honors
